

What is Freegal?

- Freegal is a free music downloading service offered through the Library. Each mp3 file that you download is yours to keep.

Getting Started

You may download free music in two ways:

- Download to your computer
- With an Android or Apple OS device by using the free Freegal app

What's needed to download music?

- A Fort Smith Public Library card in good standing.
- A computer or compatible device with an active internet connection.

How do I download free music?

1. Go to the Fort Smith Public Library website www.fortsmithlibrary.org
2. Click on the Freegal logo
3. Click on Login in the top right corner when the webpage open. Type in your library card number and click on Login.

Search or browse for music

- You may download a maximum of five songs per week on your library card.
- Not sure you want this version of a song? You may click on the blue arrow button on the left of the song title to hear a 30 second sample.

- Like it? Click on the Download Now button.

- Click on the title only once. If you click twice, you will use two downloads.

Freegal App

Getting Started

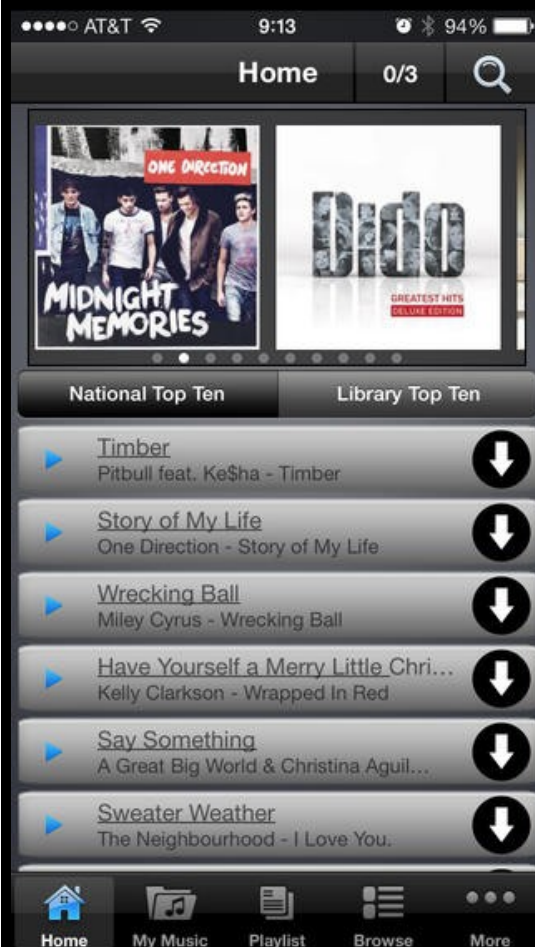

1. To download directly to your mobile device, first download the Freegal app from the appropriate app store (Google Play or Apple).
2. Install the app.
3. When the app opens, enter your zip code in the box. Tap go.
4. Select Fort Smith Public Library from the list of local libraries who have Freegal.
5. Type in your Fort Smith Public Library card number. Tap Login.
6. The terms and conditions will pop up. Tap agree.

Search or browse for music

- The main screen of the app has the National and Library Top Ten downloaded songs.
- By tapping on browse at the bottom of the screen it will take you to a screen that will offer you the option to select from top artist, top songs, top genres, and videos.
- If you tap on the magnify glass at the top right of the screen, it will open a screen with a search box allowing you to type in the artist, song, or album you are looking for.

Downloading

1. Once you have located a song or video that you would like to download, tap on the black circle with the white down arrow in it. Do **not** tap on it twice, you will use another download if you do.
2. When the song has started downloading a circle will start spinning in front of your count (0/5) at the top of the screen.
3. When your music has downloaded it can be found in the My Music folder at the bottom.
