An email address is required to access this resource. Registering your account is only required if you wish to save your progress.

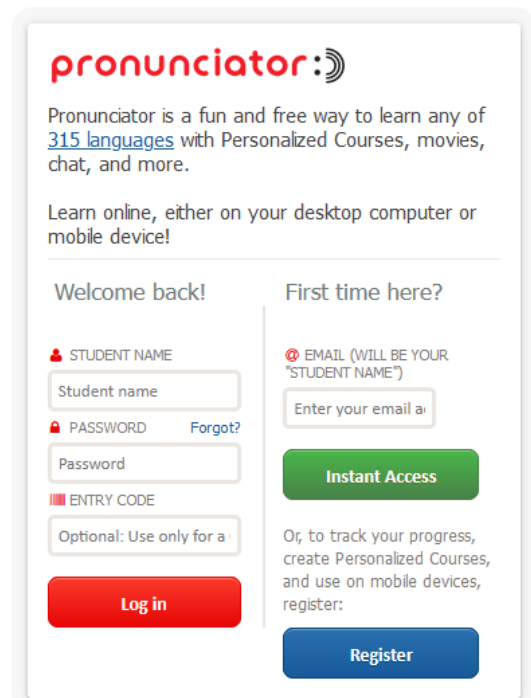

See the back of this flyer for a list of all of the available languages through Pronunciator!

Pronunciator is a language-learning service featuring 315 languages with personalized courses, movies, music, and more. Learn how to speak a foreign language with the help of a variety of interactive techniques to meet the needs of both beginners and advanced learners.

Arkansas State Library

Pronunciator is provided by the Arkansas State Library through the Traveler Statewide Digital Resources.
